BRANCH BUDGET

The State/Executive Branch Budget Bill continues services and statutory programs in fiscal biennium 2006-2008 based upon extending the reduced fiscal year 2005-2006 funding level as revised by the Governor's fiscal year 2005-2006 Budget Stability Initiative. This initiative is projected to contribute \$142,500,000 to the General Fund during fiscal year 2005-2006.

The State/Executive Branch Budget Bill, Part I, Operating Budget includes language provisions that direct:

"**Debt Service:** Included in the above General Fund appropriation for the Physical Facilities Fund is \$24,252,000 in fiscal year 2007-2008 for debt service to support new bonds as set forth in Part II, Capital Projects Budget, of this Act, for Postsecondary Education institutions."

"Carry Forward of General Fund Appropriation Balance: Notwithstanding KRS 45.229, the General Fund appropriation in fiscal year 2005-2006 and fiscal year 2006-2007 to the Adult Education and Literacy Funding Program shall not lapse and shall carry forward.

"Notwithstanding KRS 45.229, the General Fund appropriation in fiscal year 2005-2006 and fiscal year 2006-2007 to the Science and Technology Funding Program shall not lapse and shall carry forward."

"Strategic Investment and Incentive Trust Funds Interest Income: Notwithstanding KRS 164.7911, 164.7913, 164.7915, 164.7917, 164.7919, 164.7921, 164.7923, 164.7925, and 164.7927, interest earnings in the amount of \$393,900 in fiscal year 2006-2007 and \$393,900 in fiscal year 2007-2008 shall be transferred from Strategic Investment and Incentive Trust Fund accounts included under these statutes to Agency Revenue accounts within the Council on Postsecondary Education budget unit in the following amounts and for the following specified purposes: \$105,500 in each year of the biennium for the Minority Student College Preparation Program; \$188,400 in each year of the biennium for the Southern Regional Board Doctoral Scholars Program; and \$100,000 in each year of the biennium for the P-16 Council/Early Math Testing Programs."

"Interest Earnings Transfer from the Strategic Investment and Incentive Trust Fund Accounts: Notwithstanding KRS 164.7911, 164.7913, 164.7915, 164.7917, 164.7919, 164.7921, 164.7923, 164.7925, and 164.7927, any expenditures from the Strategic Investment and Incentive Trust Fund accounts in excess of appropriated amounts by the Council on Postsecondary Education shall be subject to KRS 48.630."

Council on Postsecondary Education

"Kentucky Science and Technology Corporation: Notwithstanding KRS 154.12-278(3)(j), the Kentucky Science and Technology Corporation shall submit an annual plan detailing the annual allocation of funds from the Science and Technology Funding Program, excluding funds for the Knowledge-Based Economy Academic Programs, for review and approval by the Council on Postsecondary Education and the Commissioner for the Department of Commercialization and Innovation within the Cabinet for Economic Development, prior to the Council on Postsecondary Education executing a contract with the Corporation to administer Science and Technology Funding programs."

"Ovarian Cancer: Notwithstanding KRS 164.476, General Fund (Tobacco) dollars in the amount of \$633,500 in fiscal year 2006-2007 and \$670,600 in fiscal year 2007-2008 shall be allotted from the Lung Cancer Research Fund to the Ovarian Cancer Screening Outreach Program at the University of Kentucky."

The State/Executive Branch Budget Bill, Part II, Capital Projects Budget includes a language provision as follows:

"Postsecondary Education Capital Renewal and Maintenance Pool Match: The Capital Renewal and Maintenance Pool provides funding for individual projects at Kentucky's public postsecondary institutions to upgrade and replace building systems and infrastructure in education and general facilities. The individual projects funded from this pool shall be recommended by the Council on Postsecondary Education to the Secretary of the Finance and Administration Cabinet from the project listings previously identified by the Council. The Council shall determine the allocation of the Capital Renewal and Maintenance Pool among the postsecondary education institutions and report that allocation to the Secretary of the Finance and Administration Cabinet and the Legislative Research Commission's Capital Projects and Bond Oversight Committee. The Bond Funds in this pool shall be matched with the institutions' Restricted Funds at varying levels as determined by the Council on Postsecondary Education."

The State/Executive Branch Budget Bill, Part IV, State Salary/Compensation and Employment Policy addresses increments, retirement, health insurance, and personnel complement.

The State/Executive Branch Budget Bill, Part V, Funds Transfer, includes a transfer from the Council on Postsecondary Education, Restricted Funds of \$300,000 in fiscal year 2005-2006.

The House amends the State/Executive Branch Budget, Part I, Operating Budget to include the following language provisions:

"Kentucky Science and Technology Corporation: - Notwithstanding KRS 164.6017(2), the Kentucky Science and Technology Corporation shall administer the Rural Renovation, the Research and Development, and the Commercialization and Innovation Funds."

"Rural Kentucky Retention and Affordability Fund: Rural Kentucky Retention and Affordability Trust Fund: There is established the Rural Kentucky Retention and Affordability Trust Fund. The Trust Fund will provide targeted funding to selected universities and community and technical colleges to enroll, retain, and graduate at-risk, low-income students and to improve the overall level of educational attainment. Universities and community and technical colleges selected are those with services areas that include the most significant low-income populations and the lowest college-going rates in the Commonwealth. Activities supported by the Trust Funds include, but are not limited to, the following:

Council on Postsecondary Education

- a. Partnership programs between P-12 teachers and university faculty to improve teacher training techniques and facilitate continuous improvement in curriculum alignment;
- b. Partnership programs with KCTCS to streamline transition of students into baccalaureate-level programs;
- c. Assessment to ensure accountability of targeted retention and affordability initiatives by measuring student retention, graduation and college-going rates of at-risk populations.; and,
- d. Development of recruitment program enhancements targeted to low-income students, their parents, teachers ,and schools.

Representatives from Morehead State University, Eastern Kentucky University, the Council for Postsecondary Education, and the Kentucky Community and Technical College System shall cooperatively develop guidelines and procedures for the distribution and use of the Trust Funds. The guidelines and procedures shall be developed and approved by the Council on Postsecondary Education no later than January 15, 2007, and presented to the Interim Joint Committee on Appropriations and Revenue no later than February 15, 2007. An annual report shall be provided to the Council on Postsecondary Education no later than July 15, 2008. The annual report shall document such outcomes measures as the number and county of residence of students enrolled through this program, retention and graduation rates, and results of any other initiatives funded through the Trust Fund.

Included in the above appropriation to the Trust Fund is \$10,000,000 in General Fund in fiscal year 2007-2008. These funds are distributed as follows: \$3,500,000 to Morehead State University, \$3,500,000 to Eastern Kentucky University, and \$3,000,000 to the Kentucky Community and Technical College System. Eligible institutions in the Kentucky Community and Technical College System are Ashland Community and Technical College; Big Sandy Community and Technical College; Hazard Community and Technical College; Maysville Community and Technical College; Somerset Community College; and Southeast Community and Technical College

Notwithstanding KRS 45.229, funds appropriated to the Rural Kentucky Retention and Affordability Trust Fund shall not lapse but shall carry forward at the end of the fiscal year."

"Regional Stewardship Funding Program: Included in the above General Fund appropriation is \$4.8 million in fiscal year 2007-2008 for the Regional Stewardship Funding Program. The funds will be allocated among the six public comprehensive universities in equal amounts of \$800,000 per institution. Funds will be used for Regional Stewardship priorities related to collaboration with public elementary and secondary schools and regional economic development initiatives. Allocated funds will be distributed upon submission and approval of a strategic plan which determines stewardship priorities. Each institution shall submit a strategic plan for

Council on Postsecondary Education

stewardship activities in priority areas. to the Council on Postsecondary Education by close of business January 1, 2007. Within 30 days of receipt of the proposals, The Council on Postsecondary Education shall advise the institutions of any non-compliance or non-conformity and shall work with the institution to help them qualify for the grant. Once distributed, these funds will become recurring to the institutions. Each institution shall submit an annual report to the Council on Postsecondary Education and to Interim Joint Appropriations and Revenue Committee by September 1 of each year. The report should include descriptions of stewardship initiatives implemented, use of funds for each initiative, and outcomes of the initiatives."

"Legislative Scholarship Program: Included in the above appropriation is \$4,000,000 in General Fund in each fiscal year for the Legislative Scholarship Program. This program provides financial assistance and support to eligible students from coal-producing counties. For purposes of the program, an eligible student is defined as any student who has graduated from a high school located in a coal producing county. An eligible postsecondary institution is defined as any Kentucky public or private university, community or technical college or any out-of-state institution which participates in a reciprocal tuition agreement with Kentucky.

All scholarship awards will be made annually, for two semesters, on a first-come, first-served basis. Eligible students attending any eligible Kentucky postsecondary institution on a full-time or part-time basis may be awarded up to \$1,000 per fall/spring semester if enrolled at a community or technical institution, \$1,500 per fall/spring semester if enrolled as an undergraduate student at a four-year institution, and \$2,500 per fall/spring semester if enrolled as a graduate or professional student. The award will not exceed the student's total cost of tuition calculated after the application of any need-based federal or state aid accepted by the student. These funds are payable to the postsecondary institution for credit to the account of the student. To receive funding for a subsequent semester after meeting the eligibility requirements, the student must remain in good academic standing with the postsecondary institution in which she or he is enrolled. If academic standing is not maintained, funding will not be extended for a second semester and the student shall be ineligible to apply in future years until appropriate academic standing is attained.

If funds are available, the oversight Board may elect to consider proposals each biennium from the eligible institutions to fund student success initiatives designed to improve recruitment, retention, and graduation rates of students residing in coal-producing counties. Availability of funding for student support initiatives will be determined annually by the oversight Board based on the annual balance of the scholarship fund.

A Legislative Scholarship Program Oversight Board is hereby established. The Board shall establish the standards and processes for the Legislative Scholarship Program. The Board shall be composed of eleven members appointed as follows. The Senate Majority

Council on Postsecondary Education

Leader shall appoint three members of the Senate, two from the majority party and one from the minority party. The House Majority Leader shall appoint three members of the House of Representatives, two from the majority party and one from the minority party. All members of the General Assembly appointed to this Board must represent coal producing counties. The President of the Council on Postsecondary Education shall appoint the presidents of the two public postsecondary comprehensive universities which have the greatest number of coal producing counties in their service areas, one president of a public postsecondary institution which serves all regions of the Commonwealth and one president of a private postsecondary institution which has its main campus located in a coal producing county. The Commissioner of Education shall appoint one public school superintendent from a coal producing county. All members shall serve a four-year term. All university or college presidents appointed to the board may appoint a designee to serve on their behalf.

The Board shall select an Education Cooperative to administer the program and to provide staff assistance to the Board. Board members shall receive no compensation for their service other than reimbursement for reasonable expenses. The Board shall approve reasonable administrative costs for the Education Cooperative selected to administer the program.

Notwithstanding KRS 45.229, funds appropriated to the Legislative Scholarship Program shall not lapse but shall carry forward at the end of the fiscal year."

"Postsecondary Education Employment Status: Notwithstanding KRS 164.225, 164.360, and 164.830, the appointment of a relative to the governing board of a public postsecondary education institution, as defined in KRS 164.001, shall not affect the employment status of any related person employed at least 36 months prior to the appointment of the relative."

The House Amends the State/Executive Branch Budget Bill, Part II, Capital Budget to include the following projects funded with Bond Funds totaling \$506,372,000 and Agency Bonds totaling \$465,533,000. Included in the CPE's General Fund appropriation is \$24,061,500 in fiscal year 2007-2008 for debt service on the Bond Fund projects.

BRANCH BUDGET

The State/Executive Branch Budget Bill continues services and statutory programs in fiscal biennium 2006-2008 based upon extending the reduced fiscal year 2005-2006 funding level as revised by the Governor's fiscal year 2005-2006 Budget Stability Initiative. This initiative is projected to contribute \$142,500,000 to the General Fund during fiscal year 2005-2006.

The State/Executive Branch Budget Bill, Part I, Operating Budget includes a language provision that directs:

"College Access Program: Notwithstanding KRS 154A.130(4), included in the above General Fund appropriation is \$58,427,800 in fiscal year 2006-2007 and \$60,262,000 in fiscal year 2007-2008 for the College Access Program."

"**Kentucky Tuition Grant Program:** Notwithstanding KRS 154A.130(4), included in the above General Fund appropriation is \$29,170,100 in fiscal year 2006-2007 and \$30,085,900 in fiscal year 2007-2008 for the Kentucky Tuition Grant Program."

"**Teacher Scholarship Program:** Notwithstanding KRS 154A.130(4), included in the above General Fund appropriation is \$1,777,100 in fiscal year 2006-2007 and \$1,777,100 in fiscal year 2007-2008 for the Teacher Scholarship Program."

"**Tobacco Settlement Funds:** Included in the above General Fund (Tobacco) appropriation is \$800,000 in fiscal year 2006-2007 and \$900,000 in fiscal year 2007-2008 for Early Childhood Scholarships."

"Need-Based Financial Aid for Students from Coal Counties: Included in the above General Fund appropriation is \$5,000,000 in fiscal year 2006-2007 and \$5,000,000 in fiscal year 2007-2008 for need-based scholarships for students from coal-producing counties."

"**Kentucky National Guard Tuition Assistance Program:** Included in the above Restricted Funds appropriation is \$4,500,000 in fiscal year 2006-2007 and \$5,220,000 in fiscal year 2007-2008 for the Kentucky National Guard Tuition Assistance Program."

"Kentucky Education Excellence Scholarships (KEES): Included in the above General Fund appropriation is \$73,125,000 in fiscal year 2006-2007 and \$75,375,000 in fiscal year 2007-2008 from net lottery receipts for the Kentucky Educational Excellence Scholarships (KEES). An additional \$2,190,300 is provided in fiscal year 2007-2008 from the General Fund to supplement the lottery funds for the Kentucky Educational Excellence Scholarships. Included in the above Restricted Funds appropriation for KEES is \$14,909,100 in fiscal year 2006-2007 and \$11,345,800 in fiscal year 2007-2008."

Kentucky Higher Education Assistance Authority

The State/Executive Branch Budget Bill, Part IV, State Salary/Compensation and Employment Policy addresses increments, retirement, health insurance, and personnel complement.

The State/Executive Branch Budget Bill, Part V, Funds Transfer, includes a transfer from Osteopathic Medicine Scholarship Trust Fund, Restricted Funds of \$390,000 in fiscal year 2005-2006.

The State/Executive Branch Budget Bill, Part V, Funds Transfer, includes a transfer from Osteopathic Medicine Repayment Fund, Restricted Funds of \$440,000 in fiscal year 2005-2006 and \$350,000 in fiscal year 2006-2007.

The State/Executive Branch Budget Bill, Part X, Phase I Tobacco Settlement, C. Early Childhood Development, 3. Postsecondary Education, a. Kentucky Higher Education Assistance Authority includes General Fund (Tobacco) appropriation of \$800,000 in fiscal year 2006-2007 and \$900,000 in fiscal year 2007-2008 for Early Childhood Scholarships.

HOUSE REPORT

The House concurs with the Branch with the following changes:

The House provides no General Fund support for the College Access Program to provide financial aid to students from coal producing counties in fiscal year 2006-2007 and fiscal year 2007-2008 and deletes language relating to the program. These funds are included in another agency.

The House provides General Fund support of \$1,100,000 in fiscal year 2006-2007 and \$200,000 in fiscal year 2007-2008 for the Kentucky Tuition Grant (KTG) for unfunded need.

SENATE REPORT

The Senate concurs with the following changes:

The Senate deletes in Part I, Operating Budget, General Fund support totaling \$2,190,300 in fiscal year 2007-2008 for the Kentucky Educational Excellence Scholarship (KEES).

Kentucky Higher Education Assistance Authority

The Senate adds in Part I, Operating Budget, General Fund support totaling \$2,190,300 in fiscal year 2007-2008 for the Kentucky Tuition Grant (KTG) need-based financial aid program.

The Senate adds in Part I, Operating Budget, General Fund support totaling \$1,000,000 in fiscal year 2007-2008 for the Pharamcy Scholarship Fund.

BRANCH BUDGET

The State/Executive Branch Budget Bill, Part I, Operating Budget includes \$1,733,700 in fiscal year 2006-2007 and \$165,100 in fiscal year 2007-2008 for benchmark funding.

The State/Executive Branch Budget Bill, Part I, Operating Budget, includes a language provision that directs:

"**Debt Service:** Included in the above General Fund appropriation is \$892,200 in fiscal year 2006-2007 and \$907,300 in fiscal year 2007-2008 for debt service for previously issued bonds."

HOUSE REPORT

The House concurs with the Branch with the following change:

The House provides an additional \$158,900 General Fund in fiscal year 2007-2008 for benchmark funding

The House amends the State/Executive Branch Budget Bill, Part I, Operating Budget, to include the following language provisions:

"Blazer Library: Included in the above General Fund appropriations is \$500,000 in fiscal year 2006-2007 and \$500,000 in fiscal year 2007-2008 to purchase books and publications at Blazer Library."

"University Business Plan: Included in the above General Fund appropriation is \$500,000 in fiscal year 2007-2008 for Kentucky State University to further the implementation of its Business Plan. This appropriation will be expended to increase the total enrollment by five percent in fiscal year 2006-2007 by expanding The Summer Bridge Program. The Summer Bridge Program is for students whose academic performance requires remediation and thereby enhancing retention. Additionally, Kentucky State University will increase the number of transfer students from the Kentucky Community and Technical College System through enhanced articulation agreements as demonstrated by Kentucky State University's new collaboration with Bluegrass Community and Technical College. Kentucky State University will offer more transfer scholarships thus improving accessibility and will recruit more Kentucky students, particularly for its nursing program.

Kentucky State University shall provide to the Interim Joint Committee on Appropriations and Revenue and the Interim Joint Committee on Education of the General Assembly regular reports regarding the implementation of the Business Plan. In addition, the President of Kentucky State University shall report on progress toward:

Kentucky State University

- a. Greater efficiencies from cost reductions and cost avoidance, reorganization, and resource reallocation;
- b. Increased investment in academic priorities, including additional faculty;
- c. Increased recruitment, retention, and graduation of a highly qualified and diverse student body from Kentucky counties through increased outreach, financial aid, course offerings, and advising; and
- d. Reorganized strategic planning and implementation process."

SENATE REPORT

The Senate concurs with the House with the following changes:

The Senate deletes in Part I, Operating Budget, General Fund support totaling \$500,000 in fiscal year 2006-2007 and \$500,000 in fiscal year 2007-2008 for the Blazer Library.

The Senate deletes in Part I, Operating Budget, language provisions as follows:

"Blazer Library: Included in the above General Fund appropriations is \$500,000 in fiscal year 2006-2007 and \$500,000 in fiscal year 2007-2008 to purchase books and publications at Blazer Library."

The Senate deletes in Part I, Operating Budget, General Fund support totaling \$500,000 in fiscal year 2007-2008 for the University Business Plan.

BRANCH BUDGET

The State/Executive Branch Budget Bill, Part I, Operating Budget includes \$606,500 in fiscal year 2006-2007 and \$316,400 in fiscal year 2007-2008 for benchmark funding.

The State/Executive Branch Budget Bill, Part I, Operating Budget includes a language provision that directs:

"**Debt Service:** Included in the above General Fund appropriation is \$1,909,100 in fiscal year 2006-2007 for debt service for previously issued bonds."

HOUSE REPORT

The House concurs with the Branch with following changes:

The House provides an additional \$18,400 General Fund in fiscal year 2006-2007 and an additional \$401,200 General Fund in fiscal year 2007-2008 for benchmark funding.

The House amends the State/Executive Branch Budget Bill, Part I, Operating Budget, to include the following language provision:

"University Business Plan: Included in the above General Fund appropriation is \$2,000,000 in fiscal year 2007-2008 for Murray State University to further the implementation of its Business Plan, Proposal for Performance. This appropriation will be expended in a manner to increase performance and productivity with four basic initiatives:

- a. Involvement in High Schools- Murray State University proposes to expand and enhance its "Roads Scholars" Program of placing professors in the schools to work with high school teachers and students;
- b. Academic Bridge Programs with High Schools-Expand cooperative efforts with local school districts of the "Bridge Programs" that brings high school students to Murray State University campuses to take dual credit courses;
- c. Connections with Community and Technical Colleges-Provide for student academic advisement for more effective and efficient transition to four-year university degree programs; and
- d. Student Retention and Graduation Initiative-Complete reorganization of the provision of student living and learning on campus, including the creation of eight new residential colleges with memberships of all students enrolled at the University. Other initiatives include involving activities for parents and extensive additional work requirements for professors in both academic and extracurricular responsibilities.

Murray State University

Murray State University shall provide to the Interim Joint Committee on Appropriations and Revenue and the Interim Joint Committee on Education of the General Assembly regular reports regarding the implementation of the Business Plan. In addition, the President of Murray State University shall report on progress toward:

- a. Greater efficiencies from cost reductions and cost avoidance, reorganization, and resource reallocation;
- b. Increased investment in academic and research priorities, including additional faculty;
- c. Increased recruitment, retention, and graduation of a highly qualified and diverse student body from Kentucky counties through increased outreach, financial aid, course offerings, and advising;
- d. Reorganized strategic planning and implementation process; and
- e. Increased external research and development funds earned."

SENATE REPORT

The Senate concurs with the House with the following changes:

The Senate deletes in Part I, Operating Budget, General Fund support of \$2,000,000 in fiscal year 2007-2008 for the University Business Plan.

The Senate deletes in Part I, Operating Budget, language provisions as follows:

BRANCH BUDGET

The State/Executive Branch Budget Bill, Part I, Operating Budget includes \$1,500,800 in fiscal year 2006-2007 and \$641,400 in fiscal year 2007-2008 for benchmark funding.

The State/Executive Branch Budget Bill, Part I, Operating Budget includes a language provision that directs:

"**Debt Service:** Included in the above General Fund appropriation is \$5,013,300 in fiscal year 2006-2007 and \$230,500 in fiscal year 2007-2008 for debt service for previously issued bonds."

HOUSE REPORT

The House concurs with the Branch with the following changes:

The House reduces General Fund \$239,900 in fiscal year 2006-2007 and provides an additional \$714,600 General Fund in fiscal year 2007-2008 for benchmark funding.

The House amends the State/Executive Branch Budget Bill, Part I, Operating Budget, to include the following language provision:

"University Business Plan: Included in the above General Fund appropriation is \$2,500,000 in fiscal year 2007-2008 for Northern Kentucky University to further the implementation of its Business Plan. This appropriation will be expended in a manner that will assist in fulfilling the recently completed Northern Kentucky regional vision for 2015. These goals include 50,000 new Kentucky jobs, and meeting or exceeding national performance standards at every level of education. The University will invest these funds in the innovative business creation and development initiatives underway in the Office of Economic Initiatives and the strategy for direct engagement in the region's P1-12 schools to improve test scores and preparation for postsecondary education. As part of this initiative, Northern Kentucky University will significantly increase degree production, with an emphasis in areas that represent the region's targeted economic clusters.

Northern Kentucky University shall provide to the Interim Joint Committee on Appropriations and Revenue and the Interim Joint Committee on Education of the General Assembly regular reports regarding the implementation of the Business Plan. In addition, the President of Northern Kentucky University shall report on progress toward:

a. Greater efficiencies from cost reductions and cost avoidance, reorganization, and resource reallocation;

Northern Kentucky University

- b. Increased investment in academic and research priorities, including additional faculty;
- c. Increased recruitment, retention, and graduation of a highly qualified and diverse student body from Kentucky counties through increased outreach, financial aid, course offerings, and advising;
- d. Reorganized strategic planning and implementation process; and
- e. Increased external research and development funds earned."

SENATE REPORT

The Senate concurs with the House with the following changes:

The Senate deletes in Part I, Operating Budget, General Fund support of \$2,500,000 in fiscal year 2007-2008 for the University Business Plan.

The Senate deletes in Part I, Operating Budget, language provisions as follows:

"University Business Plan: Included in the above General Fund appropriation is \$2,500,000 in fiscal year 2007-2008 for Northern Kentucky University to further the implementation of its Business Plan. The Senate adds in Part I, Operating Budget, General Fund support of \$1,000,000 in fiscal year 2006-2007 and \$1,500,000 in fiscal year 2007-2008 for the Mathematics Achievement Center.

The Senate adds in Part I, Operating Budget, language provisions as follows:

"Mathematics Achievement Center: Included in the above General Fund appropriation is \$1,000,000 in fiscal year 2006-2007 and \$1,500,000 in fiscal year 2007-2008 for the Mathematics Achievement Center."

The Senate deletes in Part II, Capital Budget, Agency Bonds authorization of \$23,000,000 in fiscal year 2006-2007 for the Construction of Student Housing.

The Senate deletes in Part II, Capital Budget, Agency Bonds authorization of \$15,400,000 in fiscal year 2006-2007 for the Construction of Parking Structure #3 and adds Restricted Funds authorization of \$15,400,000 in fiscal year 2006-2007 for the Construction of Parking Structure #3.

The Senate deletes in Part II, Capital Budget, Agency Bonds authorization of \$9,200,000 in fiscal year 2006-2007 for the Construction of Parking Structure #4.

The Senate deletes in Part II, Capital Budget, Agency Bonds authorization of \$1,400,000 in fiscal year 2006-2007 for the Expansion of Norse Commons.

BRANCH BUDGET

The State/Executive Branch Budget Bill, Part I, Operating Budget includes \$1,658,500 in fiscal year 2006-2007 and \$871,700 in fiscal year 2007-2008 for benchmark funding.

The State/Executive Branch Budget Bill, Part I, Operating Budget includes a language provision that directs:

"**Debt Service:** Included in the above General Fund appropriation is \$3,171,000 in fiscal year 2006-2007 and \$1,280,600 in fiscal year 2007-2008 for debt service on previously issued bonds."

HOUSE REPORT

The House concurs with the Branch with the following changes:

The House provides an additional \$58,100 General Fund in fiscal year 2006-2007 and an additional \$975,400 in fiscal year 2007-2008 for benchmark funding.

The House amends the State/Executive Branch Budget Bill, Part I, Operating Budget to include the following language provisions:

"Kentucky Academy of Math and Science: Included in the General Fund appropriation is \$500,000 in fiscal year 2006-2007 and \$2,800,000 in fiscal year 2007-2008 for operating costs of the Kentucky Academy of Math and Science."

"University Business Plan: Included in the above General Fund appropriation is \$3,000,000 in fiscal year 2007-2008 for Western Kentucky University to further the implementation of its Business Plan, Challenging the Spirit Strategic Plan. This appropriation will be expended to advance the public agenda for education by increasing enrollment and baccalaureate degrees by ten percent, to advance economic development in the region, to expand programming to meet present and emerging workforce development needs and to increase educational quality and student success rates. The University expects to increase applied research grants and contracts by \$50 million, develop at least ten new programs that will target specific needs of the adult working population, and strengthen curriculum in elementary, middle, and secondary education and school administration preparation programs.

Western Kentucky University shall provide to the Interim Joint Committee on Appropriations and Revenue and the Interim Joint Committee on Education of the General Assembly regular reports regarding the implementation of the Business Plan. In addition, the President of Western Kentucky University shall report on progress toward:

Western Kentucky University

- a. Greater efficiencies from cost reductions and cost avoidance, reorganization, and resource reallocation;
- b. Increased investment in academic and research priorities, including additional faculty;
- c. Increased recruitment, retention, and graduation of a highly qualified and diverse student body from Kentucky counties through increased outreach, financial aid, course offerings, and advising;
- d. Reorganized strategic planning and implementation process; and
- e. Increased external research and development funds earned."

SENATE REPORT

The Senate concurs with the House with the following changes:

The Senate deletes in Part I, Operating Budget, General Fund support of \$500,000 in fiscal year 2006-2007 and \$2,800,000 in fiscal year 2007-2008 for the Kentucky Academy of Math and Science.

The Senate deletes in Part I, Operating Budget, language provision as follows:

"Kentucky Academy of Math and Science: Included in the General Fund appropriation is \$500,000 in fiscal year 2006-2007 and \$2,800,000 in fiscal year 2007-2008 for operating costs of the Kentucky Academy of Math and Science."

The Senate deletes in Part I, Operating Budget, General Fund support of \$3,000,000 in fiscal year 2007-2008 for the University Business Plan.
